

About us

Greater Western Water provides trusted water and sewerage services to communities across Melbourne and its rapidly growing western region, stretching from the city centre to Werribee in the west and north to Lancefield.

Who we are

- Victorian Government-owned water corporation.
- Established in July 2021, bringing together Western Water and City West Water.
- Serving some of Australia's fastest-growing regions.
- Vibrant and culturally diverse communities.

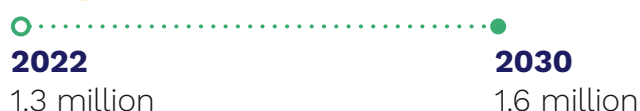

Our commitment

- **To deliver value for customers**
by providing reliable, high quality and fairly-priced water and sewerage services now and in the future.
- **To support thriving communities**
by investing in infrastructure, services and people to support liveability, wellbeing and prosperity in our region.
- **To heal and care for Country**
by partnering with Traditional Owners and First Nations people to restore environmental health, reach net zero carbon and take action towards zero waste.

Our population, people and infrastructure

Acknowledgment of Country

Greater Western Water respectfully acknowledges the peoples of the Kulin Nation as the Traditional Owners of the lands and waters on which our service area lies. We pay our deepest respects to their Ancestors and Elders past, present and emerging.
