Elizabeth Street Sewer Upgrade Project

To cater for growth in Melbourne's CBD, Greater Western Water is constructing a new sewer in Elizabeth Street between Lonsdale and Victoria streets. The project will be delivered for Greater Western Water by Rob Carr Pty Ltd.

What we are doing and when

Following the notification distributed on 19 April 2023, we wish to advise that works on Lonsdale Street (site L1 – see map below) will now commence on Monday 22 May 2023. This will involve night works for up to two nights, and day works to install barriers, fencing and signage. Lonsdale Street westbound at Elizabeth Street will be reduced to one lane from 23 May 2023.
